Credit Card					
Car 1					
Car 2					
SUBTOTAL					

List all other expenses	Joint	1st Individual	2nd Individual
medical/dental/vision			
cell phone			
home phone/fax			
Nails/hair cuts			
spending - entertainment			
Life Insurance			
Savings			
SUBTOTAL			
GRAND TOTAL EXPENSES (add all expenses from above)			

Build Savings before starting to pay down debt.
Start with building \$1,000; eventually 2 to 6 months total expenses

- Attack debt with a vengeance.
- 1) smallest to largest
 - 2) pay minimums to other bills and 1st attack smallest with everything else
 - 3) when a bill is paid off, attack the next bill with the current minimum and with everything else from the prior bill.
